EXPERIENCE

• ICICI Bank Ltd.

Jul 2026 - Present

Manager-I, Business Banking Group, Mumbai

- Managed a business banking portfolio, gaining deep exposure to credit analysis, wealth management products, and financial risk metrics
- Utilized internal customer data segmentations to identify cross-selling and upselling opportunities for investment products
- Ensured 100% compliance with RBI guidelines and internal KYC/AML regulations, mitigating operational risk across all client transactions

• Indian Institute of Management Bangalore

Jun 2025 - Jul 2025

Summer Research Intern

- Engineered a novel, end-to-end data pipeline to overcome the absence of data on private schools finances
- Leveraged APIs and OCR to acquire and structure a first-of-its-kind financial dataset from online documents, while vite coded an application to streamline the document validation process

• Monetary Policy Communication Team, IIT Patna

Jun 2025 - Jul 2025

Summer Research Intern, Prof. Dr. Rajendra N. Paramanik

- Analysed dissent in the central bank policy and whether dissent has some information
- Did sentiment analysis of the meeting minutes of monetary policy committee using VADER and Google NLP API
- Analysed the use case in VAR and factor-augmented VAR model

PROJECTS

• Predictive Offer Ranking System to Maximize Customer Click-Through Rate (CTR)

Jul 2025

Decision Science Track - The American Express Campus Challenge 2025

- Engineered features and tuned an XGBoost classifier and ranker model to optimize for the MAP@7 criterion, achieving a final model that ranked in the top 7% of all challenge participants among 1400 plus submissions.

• Assessing the Quality of BRSR Disclosures in India

Dec 2025

Prof. Manisha Jain, Climate Science and Economics Policy, IGIDR

- Scraped and analyzed BRSR disclosures across 800+ Indian firm-year observations (2022–2024), developing a Grid Emission Factor (GEF) feasibility metric and using logistic regression to evaluate Scope 2 reporting quality and operational drivers.

• Spatial Inequality in Access to Elite Public Schools

Apr 2026

Prof. JB Gangadhar Tilak, National Institute of Educational Planning and Administration

- Built a database of JNVST admission scores across Indian districts (2025–2026) and used spatial statistics to show how local student demographics drive school entrance cut-offs and regional inequality.

TECHNICAL SKILLS

Programming Languages: Python(Advanced), Py-SQL (Intermediate), MS Excel (Intermediate)

Libraries: Scikit-learn, XGBoost, Optuna, Flask, REST, Selenium, NumPy, Pandas, VADER, NLTK

EDUCATION

• M.Sc. Economics

Aug 2024 - Present

Indira Gandhi Institute of Development Research, Mumbai

• B.Sc. Economics

Oct 2021 - Jul 2024

Scottish Church College, University of Calcutta, Kolkata

CERTIFICATE COURSES

Financial Accounting (IIT Bombay) issued by NPTEL

Sep 2023

Python For Data Science (IIT Madras) issued by NPTEL

Sep 2023

EXTRA-CURRICULAR ACTIVITIES

Brain Games : Sudoku, Top 5 percent of Chess Player (Chess.com)

Other Hobbies: Volleyball, Table Tennis; Playing Ukulele, Guitar, Flute, and Harmonium
